the Chief Engineer the idea of any costly scheme of water supply to Mudgere town should be abandoned as being unsuited to the conditions and finances of the town and attention paid to the deepening of the existing wells and sinking new wells in which good springs could be tapped and the Dy. Comr. has already sanctioned out of the Municipal funds Rs 1000 for deepening 4 of the existing wells and will be prepared to sanction the sinking of new wells as found necessary in these circumstances, Govt. consider that no further action in the matter of a water supply to the town is called for
